U.O No. 69 of 45-46. Dated 24th June 1946.

4/ Returned with compliments -

The Deputy Commissioner's grounds for waiving the audit objection are - (1) there was provision in the budget of the High School for the payment of the allowance for 12 months (2) the High School would have probably lost the services of the Pandit for the next year if the allowance for the period of the vacation had not been paid and (3) allowances to Drill Instructors of Bowringpet and Chintamani Municipal High Schools were paid for the vacation and the audit objection was waived None of the above grounds is tenable

5/ As for the first, the auditors had effectively rebutted it and the Deputy Commissioner only repeats the old ground As for the apprehension of losing the services of the part-time Pandit during the subsequent year and the difficulty of getting a new hand there was no basis for it as the part-time Pandit was a teacher of a local primary school This teacher was permitted to take up part-time work in the Municipal High School, Birur only for the school year 1943-44 and his part-time work ceased on the last working day before the summer vacation of that year viz 15-3-1944 There was no question of payment after that date Further the Pandit's continuance in the school thereafter and payment of the allowance for the summer vacation was administratively irregular

6/ As for the irregularity committed in the Municipal High Schools at Bowringpet and Chintamani and the condonation of the same by Government, it has to be stated that the cases do not stand on the same footing and the Government had definitely ordered therein that the payment of the allowances should be strictly limited to 9 months in the year

Continuation Sheet | File No 8536 / Current No | of | Page

7/ Even the statement in the audit report that all part-time allowances in High Schools are paid for only 10 months in the year is not correct since according to Government orders part-time allowances in High Schools are tenable for 9 months in the year and those in the Middle Schools for 10 months, in view of the fact that the period of vacation in the former is longer than that of the latter and these allowances are tenable for the working session only as per the standing orders of Government The payment of the allowance to the teacher under reference for more than the prescribed period in a year was irregular as pointed out by the auditors

DIRECTOR OF PUBLIC INSTRUCTION 23/2/56

8/ The D e Kasaragod Asst requests sanction to waive the audit objection in respect of the payment of part-time allowance to the Kasaragod pandit in the Bruu Municipal High school during the summer vacation of the year 1943-44 This proposal was first rejected by the D P I when it was submitted by the D e as directed to him by the D e

9/ The D e has, therefore, subm

to prot Secretary notes in the matter the D P S ~~does~~ is not in favour of sanctioning the same for reasons stated at paras 4 to 7 supra

10/ In the above circumstances the D e may perhaps be inclined that prot see no reasons to reconsider the matter when it was once turned down down by the D P S subject with reference to paras 3, 4 to 7 supra

No.A3.C.6034-400/45-46.
(Encl One File).

The Secretary
to the Government of Mysore,
Revenue Department, Bangalore.

Sir,

Re - payment of part-time allowance to the Kannada Pandit of the Municipal High School Birur, during the summer vacation of the - Year 1943-1944

I have the honour to state that while auditing the accounts of the Birur Municipal High School for the period ending March 1945, the auditors have raised an objection as noted below, for the payment of the allowance during the Summer vacation of the year 1943-44 viz from 16-3-44 to 15-5-44.

5 - " As all part-time allowances in High Schools are paid only 10 months in the year from June to the end of March, the Kannada Allowances paid to the Pandit J.B.Shankariah from 16-3-44 to 15-5-44 amounting to Rs.30/- requires the approval of the Government. The President in Memo No.M2 N. Dis.4321 of 43-44 dated 25-5-44 has ordered that the allowances may be paid for summer period as there is provision in the Budget. The provision in the budget is not authority for - payment of allowance, contrary to the principles enunciated by Government"

2. The Director of Public Instruction in Mysore, who was requested by me to obtain sanction of the Government for the expenditure already incurred, has replied ~~xxxhxxxixxtxxxMxxk~~. the Secretary of the Managing Committee- in his letter No.L. Dis.3660-130/45-46 dated 29th April 1946, that the teacher was not entitled to the allowance and that the amount objected to has to be made good by him, though the President has - ordered its payment.

3 In this connection, I write to state that there was provision in the Budget of the High School for the payment

of

of the allowance for 12 months. The Municipal Council, Birur has approved of the expenditure. The Pandit has rendered continous service in the institution without any break. His services were absolutely required for the next year and in view of his satisfactory work and also with a view to retain his services for the next year as it was very difficult to get new hands, he was granted the allowance under my orders as a special case. If this ~~staff~~ step had ~~for~~ not been taken, probably the High School would have lost the services of the Kannada Pandit and the students ~~xxx~~ would have experienced considerable difficulty until a new hand was posted.

4. I am of opinion that it is not desirable to recover the amount already paid to the Pandit, as it will cause much hardship and as it was desirable to retain his services in the interest of the institution Further it is seen that allowances to the Drill Instructors of Bowringpet and Chintamani Municipal High Schools have been paid during the Summer Vacation and the similar objections raised by the Auditors have been waived as per G O.No L.3802-3/M1.26-42-18 dated 24-10-1944

5. In the above circumstances, I request that sanction of Government to waive the objection in question may be kindly obtained as a special case and the same communicated to me. The records are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kadur District.

The Director of Public Instruction states that the payment of the Drill Instructors' allowance to the staff of the Municipal High Schools at Bowringpet and Chinthamani for 12 months instead of 9 months as per standing orders, has been objected to in the audit The amount objected to has already been disbursed during the year 1938-39 to 1941-42 It totals up to Rs 240/- in the case of the Municipal High School at Bowringpet and Rs 180/- in the case of the school at Chinthamani The Director states that the claim for 3 months more during years referred to above was preferred owing to ignorace of the rule and that in view of the fact that the amount has already been drawn and disbursed and its recovery now cause hardships to the payees concerned, the audit objection may be waived as a special case, subject to the condition that the allowance is paid in future years during only 9 months in each year
